## **Excellence in Training and Learning**

### **Overview**

This award is intended to recognize a response team that has shown the most commitment to the training requirements of ERAC. There will be one award for a Flammable Liquids response team and one for a LPG response team.

### **Eligibility**

Recipients will be response teams.

### **Nominations**

ERAC's President and managers will select the response teams that will receive this award.

### **Presentation**

Two award response team recipients will be announced in April; a formal presentation will be made during ERAC's National Training Forum in 2019.

### **Criteria**

Selection for this award will be based on (1) compliance with SafetySync online training requirements, (2) performance at Regionals, (3) the amount and condition of equipment available for responses and (4) factors such as extra training undertaken, general level of preparedness, etc.
